Discover

Massachusetts Cultural Coast

Explore Six Lively Regions of Culture, History, Learning and Fun

Massachusetts Cultural Coast comprises Quincy, Plymouth County, Southeastern Massachusetts (Bristol County), Cape Cod, Martha's Vineyard and Nantucket. Visitors can explore the roots of the American democracy and colonization. Here Native American heritage is strong and many cultural attractions delve into the history and traditions of Native people. At the Cultural Coast website, www.theculturalcoast.org, prospective visitors can plan and print a comprehensive itinerary as well as make use of pre-planned themed itineraries.
